### Information for TUG membership list

TUG uses the information you provide to mail you products, publications, notices, and (for voting members) official ballots, or in a printed or electronic membership list, available to TUG members only.

*Note:* TUG neither sells its membership list nor provides it to anyone outside of its own membership.

Allowing TUG to send you notices electronically will generally ensure that you receive them much earlier than the notice in printed form. However, if you would rather not receive TUG notices via electronic mail, please check the appropriate box.

Do not send me TUG notices via email ☐.

TUG plans to prepare a printed or electronic membership list, available to TUG members only. If you would like a listing in such a publication, please check the appropriate box.

Please do include my information in a published members-only TUG directory ☐.
